**Intestines**

**3 To 5 Feet Long**

**3 Times Longer Than The Body**

**Gastric Ph ?**

**Less Than 1**

**4 To 5**

**Temperament**

**Cruel, Aggressive Gentle**

**Lovely, Compassionate**

**Measurement Of Strength?**

**Lion Power .... No**

**Horse Power .... Yes**

## Live And Let Live ...

- What do we eat as non veg food? ..... Hen, goat and cow.
- What do hen, goat and cow eat ? ..... Grass, grain, nuts.
- From where do we get grass, grain & nuts? ..... From land,
- Then we should eat whatever is available from the land directly.
- How Would You Feel If Your Child is Injured ?..... You Would Feel Sad.
- Then Why are you eating somebody else's child ?.....
- God Will be very Unhappy !!!
- In the hindu religion,
- The gods consider the animals to be their vehicles.
- If we kill the animals for food, how will the gods reach us?
- How we eat the vehicles of the god/goddess ?
- What is the size of the human body?.....6 feet.
- Why Are You Punishing 6 Ft Long Body For 6 Inch Tongue ???
- Can you hunt any animal ?
- Could you bear to hear the last, desperate cries of an animal when it is killed?
- From where do diseases such as
- Mad Cow, SARS, Bird flu, Swine Flu originate?.....
- From non-vegetarian food such as beef, mutton, chicken, ham and sausage.
- Snakes are eaten in Japan and China.
- What happens to a Hindu, if a snake appears in his dream?.....
- He must visit the temple of Lord Shiva for an abhishek (religious ceremony).
- If Non Veg items was a good thing,
- It would have been served as Prasad in temples, jinalayas and gurudwaras.
- Is there life in vegetarian food?....No, because there is no soul in it.
- No one or nothing is hurt while eating wheat, apple or milk.
- But the animals are crying out in fear and pain,
- While they are killed for food, and we are ingesting all that fear and pain into our bodies, when we eat non-vegetarian food.
- One seed of a fruit can produce an entire tree of fruits,
- However, if an animal is killed, there is no way to bring back that life.
- Wheat, rice, nuts can be preserved for a year without refrigerator.
- But meat, fish and other non-vegetarian food cannot be preserved without refrigeration for even an hour.
- 1 kg. Meat is made from 16 kg. Grains as a food.
- 16 persons can take food from 16 kg. Grain !
- 1 kg. Meat is made from 25000 liter water.
- 200 kg. Potatoes can be grown from 25000 liter water.
- If we all were to become vegetarian, 100% Humans Can Get Food , we can make this earth greener and the effects of Global Warming can be removed.

**Now Being A Human, You Have To Decide  
What To Become,**

**Vegetarian or Non-Vegetarian???**
